

MODEL #: HC1510

New and Improved Wildland Hose Clamp

After years of being forced to use wildland hose clamps that smash knuckles, constantly break and are awkward to operate; C&S Supply has designed a new Wildland Hose Clamp. Offering a much more rigid design, the Clamp is capable of withstanding the most brutal and rough operations. Yet, it is user friendly enough to quickly accomplish the task at hand.

Made in USA

FEATURES:

- Knuckle guard with wide opening for use with gloves
- Step plate to assist opening while on a charged hose line
- Long bars on the top and bottom for maximum leverage
- Curved clamping area aid in collapsing the hose
- Integrated spanner wrench
- Lightweight and compact
- For use with 1" and 1.5" single jacket hose

Weight: 2lbs Length: 10.75" Height: 3.75" Width: 1.5"
