

# FOAM GUN PROPORTIONER

**C&S supply quick attack foam system for 1" and 1.5" hand lines. The New FOAM GUN PROPORTIONER series use 12" or smaller hard cartridge foam sticks. The unique C&S design makes it easy to load, evenly mixes the foam, and each foam cartridge can shoot 400-500 gallons of foam. This foam proportioner does not need electronics, is not dependent on hose line pressure, and can work with a wide flow range of 3 GPM to 125 GPM applications through the same proportioner.**

## FGP12-1

- For 12" or smaller hard cartridge foam sticks
- Anodized Aluminum Construction
- 1" Rigid Fe. X 1" M. NST or NPSH
- Now includes 2 class "A" Foam cartridges  
Wt: 2.2 lbs. Length: 15.5"

## FGP12-15

- For 12" or smaller hard cartridge foam sticks
- Anodized Aluminum Construction
- 1.5" Rigid Fe. X 1.5" M. NST or NPSH
- Now includes 2 class "A" Foam cartridges  
Wt: 2.2 lbs. Length: 15.5"

## FGP6-1

High quality, high performance hard foam cartridge proportioner.

- For 6" or smaller hard cartridge foam sticks
- Anodized Aluminum Construction
- 1" Rigid Fe. X 1" M. NST or NPSH
- Now includes 2 class "A" Foam cartridges  
Wt: 1.6 lbs. Length: 9"

## SB-FGP12-1 (COMBO)

High performance hard 1" foam cartridge proportioner nozzle with pistol grip for 12" or smaller hard cartridge foam sticks.

COMBO consists of:

- VB1560 - 1" Shutoff with pistol grip
- FGP12-1 - 1" Foam Gun Proportioner
- 110/23 - 1" Nozzle tip 10/23 GPM
- FCA-02 - 2 X 12" Class "A" Foam Cartridges

Wt: 5lbs. Length: 25"

## SB-FGP12-15 (COMBO)

High performance hard 1.5" foam cartridge proportioner nozzle with pistol grip for 12" or smaller hard cartridge foam sticks.

COMBO consists of:

- VB3012 - 1.5" Shutoff with pistol grip
- FGP12-15 - 1.5" Foam Gun Proportioner
- 1560/20 - 1.5" Nozzle tip 20/60 GPM
- FCA-02 - 2 X 12" Class "A" Foam Cartridges

Wt: 5lbs. Length: 25"

6" COMBO's also available  
**SB-FGP6-1 SB-FGP6-1**
